Don't forget we are a NUT FREE school as we have children who have allergies! (let's leave them for the squirrels) 🐿️

## This Week In School...

**Year 3** – have finished writing their adventure stories and have worked hard to edit them. In Maths, they have begun to understand fractions including ordering and comparing fractions and identifying equivalent fractions as well as adding and subtracting them.

**Year 4** – have been looking at the exciting world of Norse myths. They have been focusing on character and setting description so that they are ready to produce an amazing Norse myth of their own next week. In Maths, they have been continuing their topic of fractions and have been applying them in word problems. In Science, they have completed their investigation into the weight of gases and have moved on to planning an experiment about melting points.

**Year 5** – have been writing a letter to Usain Bolt linked to their class story. In Maths, they have continued their 'Fractions' journey and have been cementing their knowledge of adding and subtracting a variety of fractions while in Art, they have loved creating their own Mehndi patterns for their India topic!

**Year 6** – have edited and published their incredible stories linked to their class text, 'Rooftoppers'. In Maths, they have learnt about the different types of angles and have used protractors to measure them. They have begun their new humanities topic on the continent of North America and have looked at the vast range of climates it has. Most of the class decided they would like to visit Canada because of the snow!

## Netball

On Wednesday, IVJS competed in their third Netball league fixture of the year against St Mary's. IVJS have a 1-1 record in the league this year and went in hoping to claim back to back victories. IVJS started slowly and trailed 3-0 very early in the match until Seth scored just before the end of the first quarter. IVJS seemed rejuvenated by the goal and started to create more scoring opportunities with some lovely passages of play though St Mary's continued to look dangerous, especially when attacking!

At half time, IVJS trailed 7-4 with just one quarter to go. With a new game plan, IVJS battled hard and kept the ball for the majority of the final quarter. They then scored 3 incredible goals to come back from behind and snatch a draw from a very good St Mary's side. Well done Austin for being player of the match and to Chanel for scoring all three goals in the final quarter! The team showed tremendous determination and resilience and proved that never giving up really works! What a way to spend a Wednesday!

## Poundfit at IVJS

On Wednesday, Mr Hawkes used the hall and some lucky children to take part in some *Pound Fit* at lunchtime! This involved drumming along to some songs using the gymnastic mats as the drums! What a fun lunch!

## Purple Mash Evening!

Next week is our Purple Mash Night! You are all cordially invited to join us on Wednesday 29th January from 6pm to come and see what we are doing in our computing lessons. Come and have a look through the work your child/children have already done and even have a go yourself!

## Dahl Class Assembly

Dahl class will be performing their class assembly next week, on Thursday 30<sup>th</sup> January at 9am. All Dahl class parents are welcome to attend, we will have our library open to parents to wait out of the cold from 8.30am.

## Parent Coffee Morning

Thank you to all the lovely parents who joined us this morning for our termly Parent Coffee Morning. This term, we were discussing healthy eating and how it is taught throughout the school as well as how to help encourage healthy packed lunches and break time snacks. We have had some excellent feedback and ideas so keep an eye out over the next few months for more information!

## WWFC

On Fridays, Wycombe Wanderers FC are in! They are delivering some fun football based reading, writing and maths activities in the morning! Year 5 are then lucky enough to have them for PE in the afternoon, with their lessons based around invasion games.

## P4C - Question of the Week

What colour would a zebra be if you took off its stripes?

## This Week's Staffie Award!

This week's 'Staffie' was given to the teacher of the week, Mr Hawkes for organising netball matches AND visits from Wycombe Wanderers!
