This week in school...

Year 3 – have been working on finding fractions of whole numbers in Maths. In English, they have been learning all about poetry. They have created their own ‘Magic Box’ poems.

Year 4 – have been writing descriptive poems using alliteration, similes and onomatopoeia. In Maths, they have been subtracting, ensuring they borrow correctly. Also, they have been checking their answers using the inverse.

Year 5 – have been very busy this week. Half of the year went to the Royal Albert Hall as part of Echoes 7. It was a fantastic event and the kids really enjoyed themselves. Snowdrop have been practising for the class assembly next week... they hope everyone can come to watch it!

Year 6 – have been busy getting ready for mock SATs week next week and have finished the week with their trip to Denham Country Park where they got to go river dipping!
