Potter Group	Ruben and Blake
Rowling	Jack and Kobi-Jack
Rosen	Anayah-Noor and Jayden

Sportiacs of the Week:

Upper School	Everyone
Lower School	Everyone

Our office email is office@ivjs.school

SUMMER FAYRE

Thank you to everyone who brought in donations this week for today's Summer Fayre. We hope you will join us in our playground till 6pm for tombola, games, cream teas and much more!

This Week In School...

Year 3 – have been learning about fractions of amounts and fractions on a number line in Maths. In English, they have begun to write their own versions of 'The King who banned the dark', focusing on character and setting descriptions. They have concluded their Humanities topic by comparing The Stone Age, The Bronze Age and The Iron Age. They compared food, homes, clothing and tools used during these different periods. They have begun their new Science topic about plants and have planned an investigation about plant growth. All of Year 3 were amazing on sports day, everyone tried their best in all of their activities and races. It was a fantastic day, Miss Booth and Mrs Macdonald are very proud of how well everyone supported each other throughout the day.

Year 4 – have had the worst luck, they entered their classrooms to find a crime had been committed - three apples were stolen from a magical apple tree! The criminal, eight-year-old Noah Barleywater (definitely not Alexander) has been arrested and will be brought up in front of the judge (Zuzanna) next week. In English, they have put on their barrister wigs and have been writing their opening and closing statements as well as questions for the witnesses that will stand up in court. In Maths, they have been working very hard! Each member of Year 4 sat their multiplication test (MTC). This was a very tricky timed test, but they handled the pressure brilliantly and all tried their best. In Science, they have been investigating food webs.

Year 5 – have been very busy this week editing and publishing their newspaper articles about the Platinum Jubilee. Everyone worked hard to include commas for parenthesis, relative clauses and apostrophes for possession. The finished pieces of work are lovely and really show the improvement many of the children have made. They have converted millimetres and millilitres, and learnt how to convert metric units using part whole models and bar models in their maths lessons this week. They have also used some lessons to look back at some of the tricky work Year 5 have already completed. In their Topic lessons this week, they have continued to look at Asia. They have learnt about the landscapes, regions and culture. Everyone who attended Sports day thoroughly enjoyed it and everyone was very happy with the effort made during the races and the encouragement given by the supporters.

Year 6 – have continued to work hard on rehearsals for their production, Bugsy. This week the children have been learning the songs in the production and have started to learn some dances, use props and work with scenery. We have also been sorting out costumes. All of the children who took part in sports day did really well and had a great day. Back in the classroom, in science the children have continued to learn how nutrients are transported around the body; and have finished producing their great posters to illustrate this. In maths they have continued to work on their bakery project and have this week used maths skills linked to the four operations and converting units of measure.

ATTENDANCE

Please remember, due to the disrupted schooling the children have had over the last 2/3 years, it is even more important that children are in school as much as possible to catch up on their education.

Please be aware that holidays during term are not authorised and Buckinghamshire Council will soon be fining parents for extended absences.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

19 th Jul	Y6 Leavers Assembly
19 th Jul	Last Day Of School, 1pm finish
6 th Sept	Start of New School Year!

Ivertastics!

Well done to:

Edward, Iris,
William,
Hasnain, Jack,
Ruby,
Kaelynn,
Jimmy and
Louay, Talia,
Robyn and Jack
G!

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels) 🐿️

IVJS Sports Day 2022

On Wednesday, IVJS had their annual sports day! It was lovely to see everyone back again after three years of being unable to do it. This year we went back to the drawing board with new skills to learn in the morning and different races in the afternoon. Congratulations to Shepperton who won the round robin in the morning and to Ealing who won the afternoon races! Overall this year we have done 7 intra-house competitions and the final standings are -

- 1st Ealing**
- 2nd Pinewood**
- 3rd Elstree**
- 4th Shepperton**

Transition Day

Tuesday 5th July is transition day for Buckinghamshire with many of our Year 6 pupils heading off to their new secondary schools for the day.

If your child is attending a transition day at their secondary school, please check with the new school if they are providing transport. The Chalfont Community College are sending a coach for their children which will depart from The Iver Village Junior School at 8.30am and is due to return to us at 3pm.

Our Years 3, 4 and 5s will also be spending the afternoon in their new classes getting to know their new teachers!

We will also have the lovely Year 2s joining us for the afternoon so please remember to pick up from here if your child is joining us!

Thank You LeasePlan

Thank you to the wonderful volunteers from LeasePlan who came in on Thursday this week to help get our grounds in tip top condition for the Summer Fayre. They have been fixing up our polytunnel, painting and treating our benches, rescuing strawberries plants and so much more!

Letters/Blogs out this week:

Summer Fayre

Copies of school letters are available on our website
