Well done Lisbon Class!

This Week In School...

Year 3 – have had another busy week. In Maths, they have started learning about money of different denominations. They have been learning to add and give change. In English they have been writing character and setting descriptions using 'show not tell' sentences. During their art lessons they have been exploring 'Art through storytelling'. They have been exploring cave paintings and The Bayeux Tapestry as forms of storytelling through the ages. In PE, they have been developing their tennis skills.

Year 4 – have been working hard in Maths, comparing, ordering decimals and rounding to the nearest whole. In English, they have finished writing their fact file about Italy and have published an amazing final piece. In Science, they have been investigating and explaining how a habitat provides what a plant needs to survive. In Art, year 4 had fun being photographers for the afternoon, taking pictures of environmental art and finding different textures. In French, the children have been learning how to say different classroom objects in French.

Year 5 – have begun writing an information text on rainforests. They have managed to incorporate many success criteria and information. The children have also been working really hard at honing their mathematical skills on angles. They have been classifying, estimating and measuring angles. In Science, they have learnt about asexual reproduction in plants and in Humanities they delved further into Asia learning about its weather and climate. The teachers were also impressed by their sensible contributions to PSHE where they learnt about age limits and responsibilities. In Art, the children explored Chinese artwork and created their own Chinese artworks which were remarkable! It has been a fun week in Year 5!

Year 6 – have been starting to write a narrative re-telling the story of 'The Lighthouse', a short film about a lighthouse keeper and the problems he faces on a stormy night. They are particularly focusing on setting and character descriptions and we have been very impressed with the writing we have seen so far. In Maths the children have started their new Geometry topic and are looking at angles. They are continuing their topic on electricity in Science and have been making circuits and checking how to make bulbs brighter or dimmer.

LISBON CLASS COFFEE MORNING

Parents welcome from 9am, Thursday 23rd May

WE NEED YOUR HELP!

We have a rather large shed that we need moving and are looking for volunteers for assistance on Thursday. If you or anyone you know has any specialist equipment like trolley jacks/skates that could help or if you are free and feeling particularly strong, please join us after school on Thursday 2nd May.

Thank you!

U10S 6-A-SIDE

Year 5 were invited to take part in a football tournament at Robertswood School on Thursday. We were drawn in Group A against Chalfont St Giles, Gerrards Cross and Stoke Poges, the top two teams progressing to the knock out stages! In all of our group games, we played some amazing football, linking up effortlessly from defence through to our striker. Our first game ended in a very narrow 1-0 defeat but that did not deter us, our next game at Gerrards Cross saw us go two nil down but resilience shown across the team and some great link up play saw IVJS bag a hat-trick of beautiful goals to end the fixture 3-2. Our final group game only needed a draw against Stoke Poges which we fought well for even with late drama! We then took on hosts Robertswood in a nail-biting quarter final, ending in a 1-1 draw after a superbly worked goal, we headed for penalties.... both teams hit the woodwork, our keeper made some amazing saves! With ties on penalties at 1-1, it was down to just one of our players to send us through, he calmly stepped up and slotted the ball home!

Our semi-final game was against Chalfont St Giles who had already beaten us 1-0 in the group stages, we dominated the possession and created many chances that put us 2-0 up, so on to the final it was. We played against a very organised and skilled Chalfont St Peter team. Both teams played some wonderful football and created great chances, a well-played attack from Chalfont saw them take the lead. IVJS fought back brilliantly and showed great determination but time was not on our side and it ended 1-0 to CSP. The team did us immensely proud with effort and attitude throughout the whole tournament. Thank you to all the supporters who cheered IVJS on yesterday.

THANK YOU MR HAASE!

We would like to thank our former pupil, Mr Haase who has spent the week with us as part of his college training! The children have loved having him in their PE lessons and we cannot be any prouder of his work ethic!
