### This Week In School...

**Year 3** – have been learning great compassion through British Values. They have looked at ways in which they can help those in need. It was great for them to get out in the sun for the inter-house cricket tournament too! Big thanks to Mr Hawkes for that!

**Year 4** – have been learning about earthquakes and writing leaflets about them. In Maths, they have been consolidating their understanding of translation of shapes and points. They have also been learning some very important information about malnutrition on British Values Day.

**Year 5** – have been producing narration for the film *The Piano*. They've also been looking at symmetry and reflection of shapes.

**Year 6** – have been getting ready for the talent show while working hard to develop their suspense writing. They had a wonderful trip to the Infant School for buddy reading and to join the library! Today, they received their production scripts... How exciting!

### British Values Day – A Day For Change

On Thursday we were supporting Unicef UK's Day for Change. It was a great opportunity for our pupils to learn about and raise money for children in other parts of the world. In return for a donation to help Unicef's vital work, pupils and staff changed their day and dressed in blue to reflect the colours of UNICEF. All money raised has gone to UNICEF. Every year, Unicef UK's Day for Change focuses on a different theme. This year, Day for Change was all about helping malnourished children grow up healthy and strong. Unicef is the world's leading organisation working for children and their rights. As part of becoming a Rights and Respecting School, we then learnt about this issue during the morning lessons in our British Values groups.

### Maths Mastery Specialist!

We are very excited to announce that Miss Zughaid has been selected to be a Maths Mastery specialist by NCETM (National Centre for Excellence in the Teaching of Mathematics) and the South East Maths hub. Miss Zughaid will be part of a national programme of training and our whole school will be involved in supporting 6 other schools to develop their Maths teaching. This is a testament to how far our school has come and the brilliant work of the IVJS community.

## Foxglove Class Assembly

This week, Foxglove delivered an incredible Class Assembly on the power of having a growth mind-set! They showed how much they've learned about being positive, embracing new challenges and taking on feedback to improve their work. Their songs were amazing and the acting was second to none. You did us proud Foxglove and inspired the school to develop their growth mind-sets. Bravo!

## Coffee Morning

We would like to thank everyone who attended this week's Parent Coffee Morning today. We discussed the all new Cracking Spellings and how it will form part of our teaching in English. Everyone even had their own (very tricky) spelling test!

## Inter House Cricket!

Well done everyone who took part in this week's Interhouse Cricket Tournament! Everyone had such a great day, we even had the sunshine to go with it!

## Iver's Got Talent!

Yesterday, we proved just how talented we are as a school. Two acts from each class demonstrated what incredible singers, dancers, magicians, gymnasts, comedians and martial artists they are! It was a wonderful celebration of all of the fantastic things we can do. We couldn't be more proud of the brave people who performed in front of the school. Well done everyone!

## A Tea Party Hosted By Year 6

The Year 6 children here at the Iver Village Junior School would like to invite any seniors in the local community to join them for afternoon tea. Come in for a chat, a cuppa, a cake and a sing along on Friday 9th June from 2pm.

*Don't forget we are a nut free school as we have children who have allergies!*

*(lets leave them for the squirrells)*

**Don't forget we are collecting vouchers!**

We can't wait to see you there!

## This Week's Staffie Award!

This week's 'Staffie' was given to the teacher of the week, Miss Parveen for being extra helpful as always and even stepping in to help with other teachers clubs without even being asked!

Please remember to book your child for Early birds/ Bluebells in even if they regularly attend as we need confirmation of which children are in which days!
