### This Week In School...

**Year 3** – have continued to learn fractions and have completed their *Just So* stories which proves how great our Year 3s' imaginations are! In Humanities, they have just begun to look at Europe as a continent while in Science, they have just started looking at how human body works.

**Year 4** – have been working on writing a narrative story based on the character Edward Tulane. In Maths, they have been learning about symmetry, 2D shapes and all their properties.

**Year 5** – have created a leaflet about Epcot and all the magical attractions Disneyland has to offer which links in with our book of the half-term. In Maths, they have been learning about angles and how to find missing angles. Year 5 went exploring the playground in search of angles. They have also learnt about keys and symbols in an atlas in geography.

**Year 6** – have been producing some great persuasive writing linked to their book, *Varmints*. They have also had a big focus on grammar this week in preparation for the upcoming SATs. Keep up the hard work Year 6!

Now, all that's left is to log on and have fun!

## Sandwich Swap!

Want to bin the sandwich altogether? There are plenty of *carby* options that kids should love, which help add a bit of variety into your child's diet. Why not try a pasta salad or chicken roll ups. If you are worried about keeping your child's lunchbox cool then why not freeze an extra bottle of water overnight to work as a cooler, and they should have a refreshing afternoon drink too.

## We All Scream For Ice Cream!

With the start of the Summer Term, we are selling ice creams again! Weather permitting, ice creams will be sold at the front of the school, outside reception. All funds made go directly back to the school, helping to fund everything from trips to doggie treats!

## P4C Homework

Children have been set P4C homework this half term. [You can find a link to our P4C leaflet here](#) for more information about what P4C is and how it benefits everyone here at IVJS.
