Don't forget we are a NUT FREE school as we have children who have allergies! (let's leave them for the squirrels) 🐿️

This Week In School...

Year 3 – have started their new history topic, The Victorians. They have worked in groups to create timelines of key events in the Victorian era. In Maths, they have been learning to place fractions on a number line while in English, they have been beginning to write their own stories about the Heavenly Elephant!

Year 4 – have started reading their new Power of Reading book, Noah Barleywater Runs Away. In English, they sent Noah to trial for the crime he committed in the book (they found him GUILTY!). In Maths, they have been using their multiplication knowledge to solve scaling problems and find connections between times tables. In History, they travelled back to Ancient Egypt to begin their Egyptian project.

Year 5 – have started to read their new book - 'Cosmic'. Children are very excited about the topic 'Space' and are currently researching the different planets and planning a leaflet about visiting 'EPCOT' in America. In Maths, children have been consolidating their understanding of mixed and improper fractions.

Year 6 – have spent some time going over the tests they completed the week before half term, in order to address any misconceptions. In English, the children have started work on a newspaper report linked to our book, *Rooftoppers*, which they are continuing to read. They have started a new topic in Humanities - The History of Crime and Punishment - and have enjoyed finding out about crime and punishment during the Roman period.

This week saw the start of our Chance to Shine program!

On Tuesdays, Year 3 are lucky enough to have a professional cricket coach come in from Chance to Shine, the national cricket charity.

They are receiving six weeks of training, working on bowling, batting and fielding from our pros! Make sure you have warm clothes Year 3!

World Book Day Is Coming!

Thursday next week (5th March) is World Book Day! We will all be dressing up as our favourite literary characters on the day and your child is welcome to dress up as theirs on Thursday too!

Reading Gladiators Win!

The Reading Gladiators took part in a mini challenge to read a verse of a novel containing 230 poems and retell the main character's journey in just 8 poems! They created a storyboard and videoed themselves reading their chosen poems.

They won 8 books, a packet of cookies and a jar of hot chocolate! They are looking forward to enjoying their treat as they read the next book.

Fruit Request!

Thank you all for your donations so far!

The fruit box has been a brilliant success this week and the children have been thrilled about the idea of new, healthy snacks for break time. The idea is for parents to donate a piece of fruit each day where possible to promote healthy eating.

There will be a box outside reception for parents/children to drop a piece of fruit when they can.

This Week's Staffie Award!

This week's 'Staffie' was given to the teachers of the week,
Everyone!

All of our teachers and LSAs have worked very hard this week, we just couldn't decide when everyone has been so brilliant!
