Well done Donaldson Class!

This Week In School...

Year 3 – have been focusing on the concept of time and revising how to tell the time. They have been finishing up their biographies about the fictional character, Gregory Cool and working incredibly hard on their assessments!

Year 4 – have been busy creating some unique animals in English and have written a set of instructions explaining how to make new animals such as the Flybee (fly + bee), the Butterphant (butterfly + elephant) and the Cheog (cheetah + dog). In Maths, they have been looking at quadrilaterals and have even been outside, working in groups to make shapes by including the properties of them. In Humanities, they have had an exciting afternoon re-enacting Boudicca's rebellion. In DT, they started planning their healthy pizzas by including a selection of seasonal veg.

Year 5 – have been working hard at their mock SATs for assessment week - everyone has been doing an amazing job, persevering through the tests and we are very proud of them! In Maths, they have been exploring time and the difference between digital and analogue time while in Science, they have started an end of year project on life cycles and they are looking beautiful! They are also designing bread in DT and deciding on some delicious fillings that they want to add to the dough!

Year 6 – have spent a lot of their time rehearsing for the production and have worked really hard - it is definitely all taking shape! In Humanities, the children are coming to the end of their topic on the Mayan civilisation and have been thinking about what may have caused the decline of the ancient civilisation. They have also been looking at influential thinkers in Humanism as part of their RE topic.

Farewell for September

It's with great sadness that we announce we will be saying goodbye to Miss Ghedia and Miss Naulls at the end of the term who will be heading to bigger schools to progress their careers.

We would like to wish them all the very best and thank them for a wonderful year with us.

Summer Fair

What a wonderful afternoon last Friday! FISA held their annual Summer Fair for the Iver Village Schools and this year especially was fantastic!

We would like to thank everyone who helped make the day happen, from everyone who gave up their time both on the day and setting up before, to the parents who attended the afternoon and for all the donations that came in, we truly couldn't do this without you all.

Please remember to check your children's hair for nits!

Don't forget we are a nut free school as we have children who have allergies!
(let's leave them for the squirrels!)

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Quad Kids!

On Monday, some Year 6 children competed in an Athletics tournament. The children had to compete in a 75m sprint, a vortex throw, a 600m run and a long jump to get the highest score. IVJS were competing against two teams from Butlers Court, Stoke Poges, Gerrards Cross and one team from St Mary's. IVJS ended up fourth out of the 8 teams which is a huge achievement! Well done to all students and especially to Isabella and Nicole who picked up the Teamwork and Honesty awards respectively.

Upper School Tennis Tournament

On Wednesday IVJS competed in a Year 5/6 Tennis tournament held at Burnham Tennis Club.

IVJS finished second overall in the main tournament and won the second tournament which was run alongside! Well done to all and especially to Elijah and Emily who won the Respect and Honesty awards.

Transition Day

This year, Buckinghamshire Transition Day is Tuesday 2nd July. This is where the children from Years 3 to 5 will 'move up' to the classes they will be in from September with a chance to get to know their new teachers.

For Year 6, this will mean the majority of the children will be spending the day at their new secondary schools.

While most children will have to make their own way to the new schools, Chalfont Community College are providing a bus to and from the school for the Year 6s.

Photography Club

Have you seen some of the incredible images produced by Miss Rowe's and Miss Short's Photography Club?

Our students are showing us talent even they didn't know they had by creating some stunning photos and using some creative angles, filters and tones to wow us all!

Ivertastics!

Well done to;
Josh and Julia!

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
