Snowdrop Class Assembly

This week, our Year 5 class, Snowdrop performed their class assembly based on the adverts they have created over the last few weeks.

These adverts (based on their very own cupcake businesses) formed part of their presentations to the dragons in the den. After some serious negotiations, we are pleased to say all our Year 5s managed to secure investment!

Brilliant job guys, we have had some great reviews of the performance already!

Please remember not to let your school dinners account go over 3 days without payment as the Diner reserves the right to refuse service. Parents will be contacted before this point. Thank you.

IVJS Victorian Day

This week we held our Year 3 Victorian Day designed to give our pupils an idea of just what it was like to go to school in Victorian times. All lessons were taught as if the children were back in the Victorian times.

They used chalk on slate and pens with inkwells.

The children even came into school dressed up in Victorian costumes for the day!

Work of the Week

Dear Diary

21st January 2016

Today was a harrowing day for me you will never guess what made butterflies swirl in my stomach? It all started when my friend said there was a party at the graveyard. As I got to the graveyard I didn't see any of my friends so I opened the rusty gate and I thought I was early so I checked the grounds out and I saw a dead decaying bird. As I went to go into the church I heard footstels coming towards me I thought it was one of my friends but then the rusty old gate opened by its-self and the footstels got louder. I was Petrified. A cold blast of air shot through me and I couldn't run even if I tried. A flashback hit me and I knew who the ghost was it was my Great Grandad and I said his name and everything died down the birds stopped squawking. I got on my bike and pedaled like road runner. Eventually I approached home, and sprinted to my mum I told her I'm never leaving her again as I looked out the window I saw my Great Grandad walking through the door and he didn't even open it could he haunt me and my mum now aaaaaah. But a priest came and passed him through to the other side.
