This week in school...

Year 3 – have had an exciting week with their Science Museum visit, they have been writing letters in Literacy to their friends and family telling them about all the exciting things they have learnt about forces and how they became scientists creating their own hovercrafts!

Year 4 – have been writing a narrative including speech to bring their characters to life. They have also looked at multiplication using the formal column method and begun applying it to problem solving.

Year 5 – have continued their mountains topic and created a leaflet persuading visitors to trek through the Alps.

Year 6 – have been learning to improve their techniques when answering SATs style questions.

Lorry Safety Day

Tuesday 3rd May will be Lorry Safety Day. As you know, many HGVs come through the High Street each day. With the upcoming plans to build HS2, we may be looking at a much busier High Street with an increase in lorries and HGVs. With this in mind, we have arranged for a safety talk and some fun demonstrations to increase awareness of the dangers. A lorry will park on the playground for the day and each class will spend time outside looking for blind spots and figuring out all possible dangers.

Thank you to our Friends at Heathrow Business Services who have arranged this fantastic day with Bradford Swissport.

SATS Parent Consultation Evening

Thank you to everyone who attended the Parent Consultation Evening regarding the Yr 6 SATs on Thursday evening.

For anyone who was unavailable to attend, we will have a summary of the presentation available from next week. Should you have any questions or queries about the SATs tests, please do not hesitate to speak to either of the Year 6 class teachers.
Thank you.

The Science Museum Came To IVJS

This week, we had some very exciting visitors come in to see our Year 3 and Year 6 pupils. They learnt about Forces and the Missions to Mars. The children got to make hovercrafts and rocket launchers.

We would like to say a huge thank you to our friends at FISA for helping to fund this fantastic day.

A big thank you to all of you for supporting FISA events.

Letters out this week:

SATs Breakfast (Yr 6 only)

Herschel Grammar Flyer (Yr 5 only)

Year 5 Tesco Trip

Bag2School Bags and Letters

Copies of school letters are available on our website

Primrose Pizza Express Trip

Next Tuesday, our Year 4 class, Primrose, will be visiting Pizza Express in Windsor to learn all about where food comes from.

Please remember to send in any remaining permission slips with details of dietary requirements and payments by Tuesday morning otherwise they will be unable to join us on the trip.

Thank you.

PE Kits for After School Sports Clubs

Please be aware that we only allow pupils taking part in after school sports clubs to do so wearing their P.E. kits. This is so there is less chance for pupils to lose or damage anything valuable and it reduces competition between pupils relating to what pupils are wearing.

P.E. kits should be kept in school all week and so are easily changed into at the end of the day ready for clubs.

Year 5 Tesco Trip

Year 5 have the exciting opportunity to go behind the scenes in Tesco, to gain an insight into the life of a supermarket. The children will touch, smell and taste different types of fruit and vegetables and learn about how and where they grow to name just a few things.

For full details including dates and permission slips, please see our website or contact reception for a copy of the letter.

Earrings in School

Please note, earrings are not allowed to be worn in school unless they are newly pierced and remain taped up throughout the day as they are a safety risk.

Thank you.

Parents, Give Us Your Views!

Parent View is an online tool that we use to get feedback and views of the school.

Coffee Morning

On Friday 20th May at 8.45am we will be holding a parents' coffee morning with Mr Clifford in the diner. This will give parents an opportunity to discuss the introduction of school ties and to help update the home/school agreement.
