

## Sports Class

**Browne!**

## of the week

### Brainiacs of the Week:

Browne	All of Browne Class!
Blake	Sonia and Theo
Donaldson	Holly and Michael C
Dahl	Lilian and Max
Morpurgo	Billy and Alex
Kipling	Harley and Ella
Rowling	Charlie and Emma
Rosen	Ruby W and Diddy

### Class Shield Winners:

Whole School Attendance, Year so far...  
**95.1%**

### Attendance and Lates this week...

	Browne	Blake	Donaldson	Dahl	Morpurgo	Kipling	Rowling	Rosen
Attendance	93%	97%	93%	95%	96%	96%	93%	93%
Lates	5	5	6	8	3	6	2	6

*Well done Blake Class!*

### This Week In School...

**Year 3** – have been working extra hard as it has been assessment week and have shown all they have learned in Year 3.

**Year 4** – have been working on writing informal letters in the role of the characters from the text Mouse, Bird, Snake and Wolf. In Maths, they have been learning about how to write amounts of money in decimal notation, converting from pence to pound and vice versa.

**Year 5** – have finished their alternative endings to their story and included most of the features of writing in English. In Maths, They have been looking at volume and capacity. They have been doing research on mountains types and have found some interesting facts about them.

**Year 6** – have had a busy week continuing with rehearsals for their end of year production, preparing scenery and producing ticket and programme designs, as well as starting to sort costumes for the production. They also worked hard at the end of last week, helping to run the Summer Fair!

### Big Bang Science Trip

This week, some of our budding scientists from Years 5 and 6 went on a Science Trip to the Big Bang Science Conference in Aston Clinton where they attended three workshops based on Sound, Fuelling Rockets and Insects. The 'Rocket Fuelling' involved designing a KNex cage to carry a 1.5 litre bottle which was then filled with air (fuel) and racing them across the room. At the Insects workshop, they looked at the properties of insects, how bees support farmers and the pupils even held cockroaches! For the Sound workshop, they thought about pitch and volume and saw sound using a Rubens Tube filled with camping gas which was then set alight. At the end of the day, the pupils attended the STEM Fair where they got to visit all the different stalls learning a whole load of things including shapes, recycling, blood pressure, water and circuits!

### Artist of the Week!

**Browne** – Tyler-Jai, Lauren and Victoria  
**Blake** – Pritvi, Joe and Kingston  
**Dahl** – Jujhar and Max  
**Rosen** – Lacey and Ruby W

*Don't forget we are a nut free school as we have children who have allergies!*

*(let's leave them for the squirrels)*

*School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'*

Believe. Achieve. Succeed Together.

## Browne Class Assembly

Congratulations to Browne class, who performed such a wonderful class assembly this week based on their Class Author, Anthony Browne.

They discussed a variety of books and even Anthony Browne's obsession with gorillas! They shared their *Power of Reading* texts and performed two amazing songs, there really are a class of such great performers. Their success even managed to bag the whole class a Brainiac Award this week!

Date	Event
3 <sup>rd</sup> Jul	Transition Day
4 <sup>th</sup> Jul	Book Fair Starts, after school
10 <sup>th</sup> Jul	Year 6 Production, from 1.30pm
9 <sup>th</sup> Jul	Last day of the Book Fair
11 <sup>th</sup> Jul	Year 6 Production, from 6pm
13 <sup>th</sup> Jul	FISA Summer Disco, from 6.30pm
24 <sup>th</sup> Jul	Leavers Assembly, from 2pm
24 <sup>th</sup> Jul	Last Day of Term

## Rights Respecting Schools – Article 23

This month the article from the United Nations Convention on the Rights of the Child is Article 23.

'Every child has the right to special education and care if they have a disability so that they can live a full life.'

At Iver Village Junior School we believe everyone is special and we value and celebrate our differences. Every child throughout the world who has a disability should be provided with the right support and help so they can live their life to the full. Children who have a disability are not necessarily ill or in need of a cure. Some children can have learning difficulties or be a wheelchair user or be partially deaf or visually impaired or have speech difficulties. Many disabled children go on to become very influential people.

Some famous people with disabilities are: Tanni Grey-Thompson who is a successful athlete, she has spina bifida and is a wheelchair user. Stephen Hawking who was a physicist and had motor neuron disease. Will.I.am who is a musician and music producer, who has a hearing loss and tinnitus and the very famous author Agatha Christie who had dyslexia. All these people prove that if we treat each other with kindness and respect, we can all grow up developing our own talents and skills, so we can all be the best we can be.

Talk time!

In what ways are we all different?

Are all disabilities visible?

Why is it important to think about how someone may have a hidden disability?

Can you find out about any more celebrities who have a disability?

## Book Fair!

Keep an eye out next week because Book Fair is coming to IVJS! We will be holding the fair after school each evening in the library from Wednesday afternoon (4<sup>th</sup> July) till Monday 9<sup>th</sup> July.

Come over and have a look, you might just find your next favourite read!

## Year 6 Production

We are thrilled to announce the release of the tickets for this year's Year 6 production, *Cinderella Rockerfella* that will take place on Tuesday 10th July from 1.30pm and Wednesday 11th July from 6pm. Due to the capacity of our hall, we will offer three tickets to each performance per child for the Year 6s and one ticket to each performance to the Year 5s this year. This policy will be the same next year. Tickets cost £2 each.

## Eco-School Goes Green Again!

Following our successful assessment, The Iver Village Junior School has been awarded the green flag for another 2 years! This is what the assessor had to say about our school...

**"This is an exemplary Eco-School, going the extra mile to embed projects and ideas across the whole school community, so that everyone benefits from the empowerment, sense of achievement and pride all their work brings. Well done to everyone and keep up the good work."**

Well done to everyone for looking after our environment by recycling, reusing and reducing waste! It has been a great whole school effort!

## P4C - Question of the Week

Are you always responsible for your own actions?

## Letters/Blogs out this week:

Active Kids (selected pupils)

Copies of school letters are available on our website  
[www.ivervillage-jun.bucks.sch.uk](http://www.ivervillage-jun.bucks.sch.uk)

Don't forget to book Bluebells and Early Birds online.

Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3>

or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us**. Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
