This Week In School...

Year 3 – have been working hard learning their multiplications and the expanded method. They have been enjoying writing a formal, persuasive letter using the *Iron Man* story.

Year 4 – have been working hard on perimeter in Maths. In English, they have been introduced to the book *Varjak Paw* and have used drama to infer their characters with thoughts and feelings.

Year 5 – have been learning to use formal method to multiply in Maths. In English, they have been writing an explanation text on the Mentos and Coke Experiment. They have also had a fun and exciting Anglo-Saxon afternoon.

Year 6 – have started reading a great new text this half term called *The Last Wild* by Piers Torday and are already producing some excellent writing linked to it. They also learnt lots from their Maya Morning and were able to handle and discuss some great artefacts.

School Photos

This year, we are trying out a new photographer for the individual photographs. Over the last couple of years, parents have said that they would like more choice when it comes to the packages of photos on offer. This company allows parents to go online and choose from approximately 8 different photos of their child. You unique log in details for the site are on the order form that has been sent home today. We would appreciate your support on this new venture. If you have any questions or feedback on the new company, please don't hesitate to get in touch.

Polite Notice

We would like to remind everyone that the beginning and end of the school day are two very busy periods for the school, especially in reception. We would therefore request that you do not loiter in reception area, especially during these times as this causes issues with pickups, drop offs and the ability to accept phone calls. Staff will be outside each morning to take messages and make sure the children arrive in school safely.

History Comes to Life at IVJS!

Well now, that was a busy start to the half term! This week has been Gripping History Week here at IVJS with every year group getting to learn all about their history topic in a fun way! We have been visited by some very special specialists who have been teaching the children about how the Egyptians lived and worshiped cats; and how the Mayans produced the most amazing architecture without the aid of the use of the wheel, building materials or any modern technology.

Thank you to FISA for subsidising these incredible days and everyone who has donated to help cover the costs.

Date	Event
7 th Nov	Parents Evenings, 3.30pm – 6pm
9 th Nov	Parents Evenings, 5pm – 7.30pm
13 th – 17 th Nov	Anti Bullying Week
17 th Nov	Children In Need Day. Non-uniform for a £1 donation.
23 rd Nov	Morpurgo Class Assembly, 9am
1 st Dec	Parent Coffee Morning, from 8.45am

Value Of The Half Term

This half term's value is CONSIDERATION. We will be talking about this value lots in school and would love it if you can support us by talking about the value at home too.

Our Ribbon Of Poppies

Our wonderful Mrs Orr has helped our school join in the local Ribbon of Poppies initiative by planting poppy seeds along the length of the staff car park. It won't be long until, hopefully, we have streams of poppies popping up. We would like to ask everyone to please leave the crosses in the grass and to avoid walking on the grass or across any of the flower beds as this kills the plants! Thank you.

Parent Consultation Evenings

This term's Parent Consultation Evenings will take place next week on Tuesday evening, 3.30pm to 6pm and Thursday evening, 5pm to 7.30pm. If are yet to book an appointment to see your child's class teacher, you can go to <https://parents-booking.co.uk/ivervillage> to book. If you have any issues, please contact reception for help with booking.

We Have Won An Award!

We have been awarded a Bronze Award by the County Council for our efforts in helping to address issues with traffic and promote healthy living. Thank you to Miss Manni and Mrs Orr who have helped make sure we push forward on these issues.

Traffic Update

We have been asked by our local PCSO from Thames Valley Police to take care when both parking around the school and letting you children cross the road to school. There have been incidents reported of children crossing at very unsafe points of the road and so, in order to prevent any accidents or injuries, the Thames Valley Police would like us to inform you that they will start fining parents for any unsafe behaviour witnessed by the local police officers.

Target Tracker Link

If you have yet to setup a login for our Target Tracker Link, the website where you can log in to view photos of work your child has done and teacher notes, please contact reception with your email address and we will get your login details sent out.
