### This week in school...

**Year 3** – have been super authors re-writing a new adventure for Harry Potter. Throughout Maths, they have learnt what algebra is and how they can replace letters for numbers. They are also excited about creating their own fossils!

**Year 4** – have been writing letters to Miss Nisbet and Miss Edwards trying to persuade them to come back to IVJS to visit. In Maths, they have learnt various methods of addition and applying their understanding to word problems.

**Year 5** – have been writing fantasy stories about the Dragon Slayer and had an amazing time listening and voting for their school council reps.

**Year 6** – have made their own class newspapers – The Tang Times and The Sunflower. They are incredible and have sold like hot cakes. In Maths, they have studied negative numbers and addition and subtraction methods. Another brilliant week for Year 6!

### Have You Seen Our New Benches?

We have had some very special visitors come in this week to help spruce up our playground.

Yesterday and today, we have had volunteers from the company Leaseplan head over armed with their sanders and paintbrushes to tackle our picnic benches in the playground, under the shelter.

They are now sporting our wonderful school colours, head over and have a look!

Thank you to all the volunteers at Leaseplan who came over to help make our school look even better!

### Artists of the Week!

Buttercup - Josie and John

Rose – Sebastian

Snowdrop – Josh

Foxglove - Jake

## What Wonderful Wordsmiths

Last school year, some of our children were tasked with creating a poem based on their emotions. These were sent to a publishing house where a few were picked to be published!

Over the next few weeks, every child will have the opportunity to take part in this year's where a lucky few will be selected again to be published.

The book is called Poetry Emotions and can be purchased through the company website.

Great job guys!

## Year 6 Newspapers

This week, our Year 6 classes wrote and produced their own class newspapers, *The Sunflower* and *The Tang Times*.

Filled with fantastic articles and even some great puzzles that are great with a cup of tea, the last sale of these papers will be this evening, after school.

Let's hope for a new edition soon!

## Year 5 Bikeability Week

Next week some of our Year 5's will be taking their cycling skills to new heights for Bikeability week! Children are allowed to leave their bikes in school for the week in our courtyard but this is at the owner's risk!

The grand total raised so far from our sponsored workout is...

**£1159.39!**  
Incredible!

## Bluebell Club Events

Mrs Herring is running our Bluebell club on Mondays and Thursdays and these will be theme days!

Monday will be all about paper crafts and Thursdays is one for our budding bakers! I'm hungry already...

## It's That Time Of Year Again....

Next week is the PGL trip for some of our Year 6's.

We will be posting on Facebook and Twitter updates as to how they are getting on.

Have fun guys!
