

Iver Village Junior School

Believe. Achieve. Succeed Together.

Weekly Bulletin

30th September 2022

Brainiacs of the Week:

Cairo	Skyler and Jaiveer
Cardiff	Idrees and Liliana
London	Teddy and Seb
Lisbon	Remi and Harry
Paris	Ryan and Georgia
Prague	Zuzanna and Luke
Washington	Arjun and Callum
Wellington	Aoife and Zoe
Warsaw	Joanna and Millie

Ivertastics!

Well done to:

Annalise!

Our office email is
office@ivjs.school

School starts and registers close at 8.45am, children arriving after then will be marked as late. Thank you.

This Week In School...

Year 3 – have been working hard on addition and subtraction in Maths. They have been using column method to tackle more complicated calculations. They have explored the importance of regrouping their ones and tens to make sure that their answer is correct. They have also started to look at number families with the view that they will be able to use the inverse operation to check their calculations in the future. In English, they have had their letter writing hats on and have begun to craft a letter to our local MP to try and protect the environment in Iver. In Science, they have finished their water transportation investigation and have started to look at the process of plant germination, pollination and fertilisation. In PSHE, they have looked at the words *responsibility* and *consequences* and applied them to different scenarios.

Year 4 – have come together as a whole year group in Science to see the different melting points of chocolate! They measured the temperature of different bowls of water and tested to see if their hypotheses from the previous lesson were correct. In Maths, they learnt about the history of Roman numerals before having a go at some numeral questions of their own. They have started looking at column addition and will move on to exchanging when adding/subtracting. In English, they had a go at planning and designing their own robot using recycled materials and will end the week by publishing their own instructions for how to build it! They are challenging themselves to include as many features as possible of instructional writing. In Geography, they looked further at how volcanoes are formed and moved on to learning about the largest rivers found in Africa.

Year 5 – have been rounding to the nearest ten, hundred, thousand and even ten thousand! They have been reciting their rhyme that helps them remember whether to round up or down. In English, the children have begun drafting a fact file all about China. To urge their readers to read further, they have been sharing their most compelling facts. Year 5 pupils have spent a lot of time this week in Science studying different materials to investigate what happens to them when they are heated, cooled, and burned.

Year 6 – have worked hard to finish their stories based on the video 'origins'. They have focussed on being descriptive throughout their writing. In Maths, they have continued to explore the 4 operations and applying their mathematical knowledge to a range of problems. In Humanities, Year 6 have explored the cause of volcanic eruptions by replicating the process with bicarbonate of soda and vinegar!

REMINDER Flu Vaccinations

Please remember to complete the forms for your child if you wish for them to take part in this year's flu vaccination roll out. The school nurse team will be in school on **Thursday 6th October** to administer vaccines to those who have completed the online form. We have been asked to let parent's know that GP practices will not be able to provide vaccines for children who have missed their opportunity in school and there will only be limited places available in the School Nurse Team's catch up clinics based in Amersham. Please see the letter for more information: <https://www.ivervillage-jun.bucks.sch.uk/school-news/flu-vaccinations-2022-all-years>

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

@ivjs_bucks

Iver Village Junior School

Date	Event
6 th Oct	Flu Vaccinations Day (all years)
6 th Oct	FISA AGM (virtually)
14 th Oct	School Disco!
17 th Oct	Y6 PGL Trip
24 th – 28 th Oct HALF TERM	
31 st Oct	INSET Day
1 st Nov	Children Return

Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels)

FISA NEED YOU!

Our PTA group - FISA are looking for new members and helpers for the upcoming FISA Disco. We are looking for parents/carers who can help us on Friday 14th October with setting up/clearing up, manning the tuck shop, selling hot dogs, tattoos and so much more. Please let FISA or the school office know if you are available to help.

FISA's AGM is being held on **Thursday 6th October at 6.30pm**. Links to the meeting can be sent out to anyone who wants to join or would like to know more about FISA, the incredible work they do to help support the schools and more about what you can do to help!
