### This week in school...

**Year 3** – have been working extra hard on their writing by creating adventure stories based on the 5 children. Alongside this, they have been surveying and creating graphs about what they have learnt.

**Year 4** – have written a first person narrative in English. In Maths, they have tackled some really tricky word problems using all four operations. They have also been practising really hard to learn the poems, Little Red Riding Hood and Cinderella.

**Year 5** – have had guest teacher Mr Tang with them all week doing poetry and designing Top Trumps Cards in maths. Thank you to all the parents who watched their class assembly, it was out of this world. They hope that you found it egg-citing – get it? Egg-citing? Ah forget it.

**Year 6** – have been working really hard this week, showing us what great things they have learned as they sat their final Mock SATs. We are really proud of the progress they are making. Not long now till the real thing - keep up the hard work year 6! They have also been writing recounts of their trip to Denham Country Park last week and have enjoyed preparing poems to perform in front of the whole school; they did a great job with their performances.

### Snowdrop Class Assembly

This time, it was Snowdrop Class' turn in the spotlight when they performed their class assembly taking you on their journey through space. They performed an incredible and informative production based on their learning of 'SPACE' this year.

## Year 6 Trip To Denham Country Park

Year 6 had a great day out at Denham Country Park last Friday. They took part in scientific investigations measuring the width and flow of the river; river dipping, where they were able to investigate the variety of organisms found in the river; and a wild walk. The trip helped them to consolidate their learning about rivers from their Humanities work. All the children and adults all had an enjoyable and worthwhile day!

## Easter Bonnet Parade!

What an egg-citing day! We had an amazing array of incredible bonnets today!

## Library Revamp

Very exciting news, we will be having our school library completely refurbished with new carpets and a whole range of new books! Because of the hard work of Miss Bjorck to get the school a grant and **the incredible £750 worth of books** we were able to buy with the money raised from the school book fair, we are looking forward to coming back to a fantastic new place to read! Shhhhhhh! Don't celebrate too loud, it is still a library you know...
