World Book Day 2016

This week we celebrated World Book Day 2016. We had a fantastic turn out of pupils in fantastic costumes. The day's assembly was based on our favourite books and why they hold that special place in our hearts.

Unique to IVJS, we made sure every child received a free book of their choice rather than a token to help rekindle their love for the written word. Some of the Year 5's even headed down to the Infants school to read with some of the Year 2's. Thank you to everyone who joined in and helped make the day so much fun!

Dear Mr Smith,

I am writing to you today because all of the children at Iver Village are appalled about starting KS3. Sadly, they are not allowed to do the leaves play. Please listen and help us.

Firstly, I can see your point that starting our KS3 education early will give us a better education which will eventually help us get a better job. What does this mean for the rest of ~~are~~ ^{our} education?

No-one can argue with the importance of being ready for high school however I would stress that this can have negative impact on the children. The children - after SATs - are going to be exhausted. They will need time to recover - don't you agree?

Furthermore, I am sure you would agree that the children should enjoy their last few weeks in primary school. This is a great time to enjoy doing drama (thinking about end of year production) which is important for their education. This is the time to celebrate the end of their time at Iver Village Junior School.

Having read my letter do you think this is fair? All of year 6 are all very disappointed about your letter why do you think that the KS3 is good for us? How would you feel if it was you?
