Well done Rowling Class!

This Week In School...

Year 3 – have finished writing their *Just So Stories* and are busy turning them into picture books for younger children to enjoy. In Maths, they have been looking at telling the time on different clocks. Miss Short and Miss Couves are very impressed with Year 3's hard work this term!

Year 4 – have been working on division and multiplication word problems in Maths. In English, they have been writing chapter seven of 'Noah Barleywater Runs Away'. In Humanities, they have been learning all about the Ancient Egyptian God and Goddesses and their children. They have also been presenting their projects about journeys and have been amazed at the brilliant ideas and creativity shown in both classes.

Year 5 – have unfortunately come to the end of their space topic; the children have created a leaflet based on all of their science knowledge this term as well as a fantastic balanced argument! Maths has been a week of consolidating their knowledge on fractions, decimals and percentages - they are pros at finding percentages of an amount, which is perfect for finding a good bargain in the shops! They have also brought their anglo-saxon topic to a close, leaving many shocked (and feeling very lucky that we weren't around then) at the gruesome punishments they received!

Year 6 – have worked really hard on their assessments this week and everyone has been impressed with the efforts they have made. As well as undertaking tests, they have been finalising and publishing their conclusions to their book, *Rooftoppers* and have also been finishing their topic on Rivers by writing a non-chronological report on the impact of dams. They have also finalised their Science topic about light by dissecting an eye.

Happy Easter Break!

We would like to wish everyone a fantastic Easter break and look forward to seeing you all back, bright eyed and bushy tailed on Wednesday 24th April (as Tuesday 23rd April is a staff INSET day.)

Dogs On Site

Please remember, we are not allowed dogs on site. This is due to health and safety reasons, many children can be allergic to dogs and the dogs themselves may not be used to the children.

The school dogs, Hugo and Ralph are both trained to be around children and are hypoallergenic so do not cause allergic reactions.

Please remember to check your children's hair for nits!

Tomato Plants!

Look how much these babies are growing! I wonder who will be the first to grow an edible tomato?

Don't forget we are a nut free school as we have children who have allergies!

(let's leave them for the squirrels)

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'

Girls Football Tournament

On Monday, a mixture of Year 5 and 6 girls competed in a girls only football tournament held at Burnham Grammar school. IVJS were drawn into a tough group against Gerrards Cross, Burnham Grammar (Year 7 team), Lent Rise and Holtspur. IVJS beat Burnham Grammar and Lent Rise 1-0 and 3-0 respectively. This put IVJS into a 5th place play off against Farnham Common. IVJS unfortunately lost 2-1 in the play off, putting us 6th overall out of twelve schools. Well done to all who played but especially to Mysha who played like Messi all afternoon and to Millie who showed tremendous amounts of respect and sportsmanship to other schools and made us all very proud. Well done girls!

We had such a fun assembly today, everyone who made Easter bonnets got to present them in assembly so we could see what a fantastic job they did! It's always so lovely to see such creativity from everyone!
