Well done Browne Class!

This Week In School...

Year 3 – have been practicing and performing their class assembly this week and what an assembly it was! In Science, they have been looking at the 7 different ways of dispersing seeds and have been looking at time in Maths.

Year 4 – have begun investigating the genre of fantasy writing in the lead up to writing their own fantasy narrative. In Maths, they have been exploring symmetry and trying really hard to replicate patterns across the mirror line. In Science, they have explored what will happen if a predator is removed from a food chain and what happens to the chain next.

Year 5 – have begun exploring decimals in Maths; they are learning to add and subtract different numbers below 1. In Science, they have been continuing to work on their yearend projects about the life cycle of humans (and so far they are looking beautiful). In English, they started a fun class project where we will be making live action news reports based on the story, "The Princess' Blanket". They are starting to wind down and prepare for Year 6 (which everyone is really excited about)!

Year 6 – have spent a day at their new secondary schools as part of their transition from Primary to Secondary education; they came back with stories of lessons they had taken part in and new friends they had made. The children have also continued with rehearsals in preparation for their production and they enjoyed two Design Technology mornings where they looked at Chinese and German cookery as part of our Global Food topic. These mornings culminated in the children making spring rolls and pretzels!

Year 6 Performance Tickets

[Tickets are now available online to book!](#)

Doors will open to each performance 15mins before the show time however we will send information out next week about what time each child will need to be back for rehearsal. Families can order 3 tickets per performance, any tickets we have left will go on sale from Monday 15th July. A message will be sent with availability for both performances that morning.

Tickets cost £2 per each and will be available on School Money to pay for once they are requested and will be sent out when they are paid for.

All buggies will need to be left in the playground for the Tuesday performance in order to keep the aisles clear for our actors and we cannot allow any under 5s at the Wednesday performance. Thank you.

**Please remember to check
your children's hair for nits!**

*Don't forget we are a nut free school as we have
children who have allergies!*
(let's leave them for the squirrels)

Boudicca's Rebellion

Last Friday afternoon, Year four travelled back in time to 60AD where they met the ever so powerful and determined Boudicca! After the death of her husband (King Prasutagus), Roman Emperor Nero tried to take control of the Celtic land, but Boudicca had other plans and lead a rebellion. With her mighty warriors, Boudicca enlisted the help of other tribes and begun her march upon the unsuspecting Romans. After a victorious beginning to her rebellion, Boudicca was eventually defeated after a final battle in Londinium (London). Year 4 took on the roles of either members of the Roman army or the Celts as they re-enacted this important moment of British history and most importantly, had a blast doing it!

Sports Leaders In Action

On Thursday, the Year 5 Sports Leaders went to the Infant School to help with their sports day. The Leaders were helping to run stations, held the finish line and awarded stickers to the top three people in each race! Thank you to all the hard working Sports Leaders who helped make the event so much fun, even in the heat!

Year 3 Class Assembly

Our lovely Year 3s hosted their class assembly this week that told the journey of their first full year at IVJS! They all sang beautifully and really got across just how much they have enjoyed Year 3. We are all so proud and know that they will be incredible in Year 4, we all cannot wait to see them start the next year here and what they will all be able to achieve.

Ivertastics!

Well done to;
Ethan!

P4C - Question of the Week

How loud does something have to be to be loud?

Transition Day

This Tuesday, the children spent the afternoon in their new classes getting to know their new teachers! [You can find the list of teachers for next year along with the progression path of the classes here.](#)

It's Disco Time!

We are all ready for the last Disco of the year!

The FISA Summer Disco is next week, Friday 12th July from 6.30pm. Please have all forms for tickets back in to the school reception by Wednesday in order for FISA to staff the event and buy enough hot dogs. If there are any parents who would be willing to help out on the evening, please let either the school reception or one of our lovely friends at FISA know.

Don't forget to book Bluebells and Early Birds online. Go to <https://goo.gl/forms/JuZsG7Q42u7JKg1D3> or via our website.

Each Bluebell booking will cost a minimum of £2. You will be charged for any Bluebells Club your child is booked into but does not attend unless the school have been informed beforehand (or due to illness). Please also note, although we are able in most circumstances to book children in at the last minute to Bluebells, **we do require parents to inform us.** Any children left in our care after school hours will incur an extra £2 non-booking fee on top of their club fees. We will charge late fees of £5 per 15 minutes after 6pm.
