Well done Kipling Class!

This Week In School...

Year 3 – have been revising time in Maths and in English, they have been completing instructing manuals on how to build a den for Gregory and Lennox, based on the book Gregory Cool.

Year 4 – have been looking at ordering money in ascending and descending order, rounding to the nearest pound and pence and placing money values on a number line. In English, they have been looking at poems and creating their own creature/monster poems.

Year 5 – have been multiplying and dividing large numbers in Maths this week. In English, Year 5 have been planning and starting to write up a newspaper report on 'The Princess' Blankets'. We've been practicing very hard on the production songs that we will be singing.

Year 6 – have spent much of the week in final rehearsals for their production which takes place next week. They are all working really hard to fine tune and polish their performance. They also had a day at their secondary schools this week in preparation for Year 7 in September and all came back with lots of exciting things to look forward to.

Lower School Active Kids Tournament

This week, pupils from IVJS attended an Active Schools festival, involving almost 200 schools from around Bucks and Milton Keynes. The children competed in many different sports, gaining points for their own partnerships. We teamed up with all the schools that we had been competing against all year, working together to become the top scoring partnership! IVJS had twelve athletes from Year 3 and 4 who competed with such heart and determination through testing heat! With almost 1300 children, it is fair to say it was tough competition but it didn't stop IVJS coming home with a Fair Play Award! Well done to all athletes what an amazing day! A huge well done to Connor who read an oath brilliantly at the opening ceremony and in front of such a huge crowd!

P4C - Question of the Week

If you had a different name would you be a different person?

H2-Woaw!

It's still summer! Who'd have thought this glorious weather would have held out for so long this year?

Although most of us are enjoying the sunshine, we are getting just a little bit parched now so would like to take this moment to remind everyone to bring a water bottle and plenty of water with them, the queues for the water fountains are getting a little long now...

Book Fair!

Don't forget to visit our book fair! It will be open this afternoon after school and again on Monday at 3.15pm. Come and see if your next favourite book is in stock!

We Won A Bronze Award!

We are the first of the Sapere EEF schools to receive a Bronze award! We are one of 200 schools across England taking part in the Education Endowment Foundation's (EEF) study into the effectiveness of SAPERE P4C (Philosophy for Children). This study follows on from the EEF's first efficacy trial, which found that SAPERE P4C has a positive influence on education and wider outcomes, particularly for disadvantaged students. Additional research, funded by the Nuffield Foundation, also found that SAPERE P4C has important non-cognitive benefits, including boosting communication and teamwork skills, particularly for disadvantaged pupils.

Summer Reading Challenge

The Summer Reading Challenge takes place over the summer holidays in libraries throughout England, Scotland and Wales. Developed by charity The Reading Agency, along with the UK public library network, it is now in its 20th year and is the UK's biggest annual reading promotion for primary aged children. 761,758 children in the UK took part in Animal Agents, the Summer Reading Challenge 2017.

It starts on 14th July - look out for an assembly on 12th July which will tell you all how to take part.
