*Don't forget we are a **NUT FREE** school as we have children who have allergies! (let's leave them for the squirrels)* 

## *Happy New Year And Welcome Back!*

We hope you have all had a lovely break! Firstly, thank you to everyone who has been using Lateral Flow tests with their children, this really makes a huge difference with regards to keeping our school safe. We know that stock is low in many chemists and online so we appreciate everyone persevering.

***We have many children in each year group that have tested positive since returning to school so please remember to use lateral flow tests on your child at least twice a week.***

**Homework** books are being sent home today with homework for this half term. They also included information and log in details for Teams remote learning. We will be using Teams to set work for children who are isolating, children will also be able to submit their work to the class teacher via their Teams account. Online lessons will only take place in the event that a whole class has to isolate.

## *Years 5 and 6 Swimming Questionnaire*

A letter has gone home with years 5 and 6 so we will be able to get a better understanding of where our children are regarding swimming ability as swimming at school has been severely impacted by the pandemic. Please complete the form as soon as possible. Thank you.

***School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'***
