Well Done Buttercup and Snowdrop!

This week in school...

Year 3 – have been looking at how to write a great character description and put this in a story. In Maths, they have been learning how to multiply and divide. They were also very excited as they go to recreate fossils during Science!

Year 4 – have been retelling the well-known fable ‘the Lion and the Mouse’ with the moral being that everything and everyone is equal and even the smallest mouse can make a difference. In Maths, they have been looking at expanded column subtraction and begun applying their skills to solve word problems.

Year 5 – have enjoyed watching the Diet Coke and Mentos experiment and asking posing questions, like ‘why did that happen?’

Year 6 – have had a very busy week! Most of Year 6 are on the PGL trip while the few who stayed here at IVJS have enjoyed a week of activities including a trip to Wingroves Farm , designing their own t-shirts, baking for a cake sale and have been researching a decade of their choice for their own class project.

Superhero Day

Thursday 13th October will now be our Superhero Day!

Everyone will get the chance to dress up as their favourite superheroes or even create their own to celebrate just how awesome we all are and spark those imaginations!

Children will be taking part in a whole day of activities within their part of the school.

Children do not need to bring in any money for the day, just wear their super outfits!

Rose Class Assembly

Rose Class have performed a wonderful assembly this week based on three variations of the same fable; The Hare and the Tortoise.

These are great reminders about perseverance and Growth Mindset!

Everyone performed admirably. Great job guys, we have had some fantastic reviews!

A Week For The Year 6's

While many of our Year 6's are away this week on their PGL trip, a few have stayed here in school and had a brilliant week. They have taken over one of the assemblies where they acted out a fable for the rest of the school, picked some vegetables, learnt about farm life and got to help out as teaching assistants for a morning! Check the newsletter next week for the updates on the PGL group!
