## This week in school...

**Year 3** – have been using their investigation skills in Maths to see if the length of their legs determines how far they jump. They have also been learning about the different morals in Aesop's Fables.

**Year 4** – have been working extra hard on their P.E., gearing up for athletics. In class, they have been writing amazing descriptive narratives about a world with only one robot in it.

**Year 5** – have become film reviewers and analysed The Lego Movie.

**Year 6** – have had an amazing week with their *Fagin's Boys* production, they were fantastic! They are now busy designing their own parks.

## Ofsted Report

The results of our recent Ofsted report were sent out this week and we are very proud to say we have been officially recognised as a 'GOOD' school!

You can see all the hard work put in by all of the staff and the children reflected in the full report and so we would like to thank everyone who has helped transform the school into the wonderful place to work and learn that it is today.

We have issued each child with an IVJS wristband to show everyone how proud we are as a school and how proud our pupils are to have played a huge part in proving just how fantastic they have helped make the school.
