This week in school...

Year 3 – have enjoyed getting to know one another. They have written some great letters to introduce themselves and have started learning about Prehistoric times.

Year 4 – have had a fantastic week settling into their new classes. They have been writing first person narratives in English and have been comparing and ordering numbers in Maths.

Year 5 – have been writing letters to their teachers and learning about place value in Maths. They also started their topic work in preparation for their exciting Saxon Day next week!

Year 6 – have made a wonderful start to the year. They are already demonstrating the maturity and independence expected from the top of the school! They have been studying light in Science and are becoming journalists in English!

A Fresh Start!

Welcome Back! Over the Summer holidays we have been very busy repairing our school from the flood that happened in June. We now have beautiful purple carpets in all of the classrooms. We still have two classrooms out of use but the builders have promised that they will be ready by half term. A group of volunteers from the Airline Development Team at Heathrow were amazing during the Summer and decorated a large part of school for us.

School Pledge: 'I pledge to do all that I can, so that we can all learn and be happy at school.'
