4th June 2019,

Dear Parents/Guardians,

Year 6 DT Project

On Thursday 6th June, year 6 will be participating in a DT day where they will learn about the origins of various foods and will compare global diets. In addition, they will use their maths knowledge to calculate amount of ingredients required for given recipes so that there is enough for everyone to try some!

During the day, we will also be teaching them kitchen skills such as cutting, grating and frying. The children will be carefully supervised during these activities by Miss Bjorck, Mrs Bowden or Mrs Orr with their safety as our main priority.

Any known food allergies and intolerances will be taken into consideration when purchasing the ingredients, however, please could you let us know if you have any concerns or any recently developed allergies. Children will still require lunch on Thursday so please provide as usual.

Yours sincerely,

Miss Bjorck and Mrs Bowden
